#### **VILLAGE OF CLOUDCROFT CODE: 4-1-8: CONSTRUCTION SITES AND TRANSPORTATION OF MATERIALS**

**A.** All persons who have secured a building permit from the Village or State shall, before the start of any construction activity, furnish or place on those premises a container or fenced area of suitable size and design to contain all refuse including refuse specifically described in subsection 4-1-1C of this chapter which may be disturbed or removed from the premises by the wind or elements. Within five (5) days of completion, all solid waste and container shall be removed from the premises.

**B.** No person shall allow solid waste of any kind to be blown or carried away by the elements from the premises for which the building permit was secured.

**C.** Persons engaged in **demolition**, which have obtained a permit from the Village or State, must remove the debris and structural parts and contain the elements from scattering in the same manner as set out above. **Demolition** solid waste shall be removed and disposed of within five (5) days of completion in the designated manner as prescribed by the Mayor or his designee.
