8-2-6: SIGNS:

All nonexempt signs erected, constructed, replaced, redone or added on business or commercial structures within the corporate limits of the Village shall conform to the western/railroad motif of the Village as set forth, and shall have prior approval of the Village Clerk/Treasurer or their designee. Sizes of all commercial signs shall be regulated by the zoning title of the Village and any amendments thereto. (Ord. 322, 10-14-2003)

Signs and Billboards: Illuminating fixtures for advertising or other signs shall be such that the illumination is confined to the area of the sign or billboard. Under no conditions may signs or billboards be illuminated from below. Any such illuminating fixture shall be placed above its respective sign or billboard such that the secondary (specular) reflected light from the surface of the sign or billboard is directed down toward the ground.

Permits expire one year after issuance. If sign(s) are not placed within the year, a new permit must be applied for. Permits are not transferable. Permit Fee is \$25.00

I hereby acknowledge that the above facts are correct. I agree to comply with the Village of Cloudcroft Code and New Mexico regulations, including but not limited to those noted above. Construction will conform to information presented with this application. Alterations may require a supplemental permit.
