

**VILLAGE OF CLOUDCROFT
LEVEL TWO FIRE RESTRICTIONS**

ARE IN EFFECT AS OF
Friday, April 29, 2022
8:00 A.M.

Ordinance # 5-4-2

Level TWO Condition

5-4-2: CONDITIONS SPECIFIED:

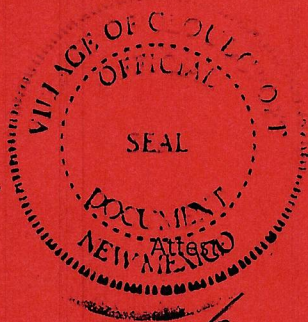

B. Level Two Condition:

1. It shall be unlawful during a level two condition outside of a fully enclosed permanent structure, camp trailer or mobile home, to build, maintain, attend or use a fire, campfire, charcoal broiler or grill producing an open flame.
2. It shall be unlawful during a level two condition to smoke outdoors in any area that is not entirely free of combustible materials for a three-foot (3') radius from the person smoking.
3. It shall be unlawful during a level two condition to operate a two (2) cycle internal combustion engine which is not equipped with a USDA approved spark arrestor or fire mesh.

Although all fires are discouraged under this restriction, indoor fires are permitted. All laws pertaining to fires inside structures (flues, chimneys, chimney screens, minimum clearances, disposal of ashes, etc.) are still in effect and will be strictly enforced (see Village Codes).

By Order of the Village of Cloudcroft Mayor,

This 29th day of April 2022

William Denney

Mayor, William Denney
